2 REMINDER - EARLY-BIRD REGISTRATIONS

The cut-off for Early-bird Registration fees is this Friday 23 April - 5 pm Sydney time.

Early-Bird registration delivers significant cost reduction to people attending (typically \$ 80.00 per registration) and therefore achieves better value for money.

The Conference Registration Application form was issued with Conference Bulletin No 2 on 9 March 2010 and an additional copy is attached to this Newsletter.

3 ADDITIONAL BACKGROUND INFORMATION

Now posted on the Institute's website (www.value-management.com.au) are two additional documents that provide background to the conference:

- [The Newsletter \(28 Sept 09\) from the Executive](#) of the Institute's Board of Management which announced the series of meetings with policy-makers nation-wide (now referred to as "the Road Show") and
- [Road Show Report](#) (16 Dec 2009) which detailed the findings of the intensive phase of the Road Show - findings which have been reinforced by subsequent supplementary discussions that could not be timetabled within the intensive phase.

These additional documents (along with the conference bulletins) are included in the "conferences and activities" page under "Approaching Events", where this SYDNEY 2010 CONFERENCE is listed.

CONFERENCE REGISTRATION APPLICATION

The Institute respects your privacy, so the information on this form will not be made public. However, for the convenience of Conference Registrants, we intend to issue a list of those attending, with their work affiliations and the names of their dinner guests, so please advise if you do not wish to be included.
